

## **Wood is not Free!**

1. Wood is an endless cost that won't pay you back.
2. Never ending, hunting, gathering of wood.
3. Hundreds of man hours a year cutting and stacking wood for your drivers only to run out by the middle of the day.
4. Looks unprofessional and is a inferior practice.
5. Drivers using wood on a hill is impossible.
6. Placing wood under a dumpster is a liability.
7. Drivers leave the safety of a truck several times to position wood under a dumpster.
8. Dumpsters roll off the very wood that protects a surface when loading.

## **Dumpster Shoes™**

1. Set it and forget about it.
2. Dumpster shoes will pay for themselves after your 2<sup>nd</sup> load per Dumpster.
3. Dumpster shoes are a tool you invest in! not a cost you throw your hard earn money away like wood!
